Lord I thank you that you see the state of my heart and soul. Things that I cannot see you see. Please reveal those things that would cause me not to see my own shortcomings. I forgive every individual or group that have attacked me, spoke evil of me, stolen from me or have come against me in any way. Lord go deep into my heart chambers and bring out any wounded sores that have not be given to you. I bless those that have cursed me. I forgive them. I forgive myself. I will not fear what man can do to me because you are for me. I choose not to fear. I will not fear sickness. I will not fear man. I will not fear lack. I will not fear being alone. For in all things you are with me. Help me to perfect my love to you. I want to fully trust you in all areas of my life, not just my salvation. You said your strength is made perfect in my weakness. I acknowledge I am weak in these areas. I need your strength and help to walk out the un-waivering trust and love you desire for me to have for you. I thank you Lord you have cut asunder the rod of the wicked and the scepter of the ruler that was used to beat me. I thank you Lord who is righteous has cut asunder the bands of the wicked that had me bound. I thank you Lord that you fill my mouth with good things and my youth is renewed like the eagles. I command my body line up with these promises from God NOW! I command my cells at the molecular level to be healed and any abnormalities to leave my cells now! I command healing to my bones. I

command healing to all my organs and every system in my body. I command healing to my soul and mind. I command healing to my relationships. I command healing to my finances and provisions. I am whole. I walk in divine health. I am a child of God. I walk in the Kingdom of God. I am actively fulfilling God's purpose for my life and all that has been written in His book concerning me. Sickness and disease will not be able to manifest in my body because Jesus paid the price for me to be free of it on the cross. I have everything I need to accomplish my assignment here on earth. I will walk in the fullness of the measure of the stature of Christ. I will complete the full number of days assigned to me in Health, Peace and Prosperity. In Jesus name. Amen
