Hos 4:6 *“My people are destroyed for lack of knowledge:”*

What should be known by the body of Christ, for too long, has been considered taboo to discuss. Consequently we have had to suffer un-necessarily and fall prey to Satan's strategies against us.

As we enter into this “End-Time” season it will be imperative that we know how to more effectively stand as Sons and Daughters of God.

We have been given authority to defeat Satan in ALL areas of our life.

It is time to take the blinders off and see with the eyes of understanding. To take our liberty back and set others free.

I pray that God's Presence will fill each page of this book as you read. That the Holy Spirit will quicken you in areas of your life He wants to touch and you will receive the freedom entitled to you as a child of God.

Sickness

Are you one of those people that have been experiencing unexplained sickness, illness or fatigue? For no apparent reason, one day, you just woke up with a pain that the doctor has no answer for. Maybe it was something as simple as walking somewhere and then having a sudden pain in your leg, knee or ankle. You didn't twist it, but it won't go away. For others, it is tightening around the chest, or arms or severe neck pain that causes a headache and nearly incapacitates you. It could be you don't have energy to do anything. There could be any number of a sudden onset of symptoms. Where do they come from and why are you experiencing them?

How did you respond to these pains and symptoms? What was the first thing you did when you started experiencing them?

What do I mean by that? There are several ways that people will respond, often times, without realizing it. Let us consider the sudden neck pain. What would be your first response? Maybe you would rub your neck wondering why it suddenly hurt. Then what? What would you say? What would you do? Would you say, "I must be coming down with something." or "I need to take a pain killer." or "I need to have a doctor take a look at it."

What would be the response out of your mouth? Where do

you think the suggestion for that response comes from? If you come in agreement with the symptoms you give them permission to afflict you. You must immediately at the moment you first experience them command them to go!

Pro 14:12 "There is a way which seemeth right unto a man, but the end thereof are the ways of death".

You are reading this because you want the "Truth". Because you know that what the doctors are telling you isn't witnessing to you and what they are doing for you isn't working.

Logic will not work in these circumstances. There are things at work much more real than the chair in which you are now sitting. There is a supernatural realm that exist and that realm influences every moment of our lives whether we choose to believe it or not.

2Co 4:18 "While we look not at the things which are seen, but at the things which are not seen: for the things which are seen are temporal; but the things which are not seen are eternal."

Are hearing in your mind, "this is one of those books"? If you listen to that voice, you will not have the answer you need and you will continue on in your pain and in your situation.

You either want the truth or you don't. A lot of people suffer un-neccesarily because they will not acknowledge the

truth. If what you are trying is not working for you what do you have to lose by reading on? On the contrary, you should be asking yourself, what do I have to gain?

You are bombarded daily by television, radio, billboards, the internet, schools, politics, medical practices with a perception of reality they want you to believe. They are selling you a lie and they want you to buy into it. They want your mind, body, money and your soul. Most of all these things are motivated by greed and deception.

Drive anywhere and you will see signs warning you to check for this disease and that. Hospitals are promoting how great their medical services are. These signs are projecting thoughts at you like arrows. They are projecting fear. Have you ever read a list of symptoms for a certain disease and start saying to yourself, "I have this, I have that...maybe I should get this checked out."

What was going on around you at the moment you first started experiencing your symptoms?

Did you go somewhere new? Did you visit a different country? Did you buy something from somewhere and bring it home? Maybe a doll, a nic-nac, a mask, and foreign idol? Clothing? Shoes? Furniture? Who were you around when it started? Yard sales? Jewelry? Did you go to a psychic or have your tarot cards read?

Start thinking. Just sit a moment and think. What were you doing?

One day when I was asking the Lord to give me something to do for Him a woman called. She asked me if I would come and pray for her and pray through her house. I left out immediately. Upon arriving at her home the woman greeted me at the door all bent over and using a walker. She explained to me that she had been helping people for many years as a nurse and then suddenly she just started getting sick. She was losing strength in her body. The doctors couldn't diagnose what was wrong with her. I first prayed for her what I called the "shotgun" prayer (included at the back of this book). She immediately began to receive relief and started straightening up.

I proceeded to pray through her home. She had lots of statues and nic nacs throughout the house. It wasn't until I came into one room where I really discerned a strong demonic presence. There I found an old Nazi pin that had been taken off of a dead soldier. We prayed over the object and removed it from the house. As I continued to go further into the house I reached a bathroom where she seemed to keep falling. I told her to command all unclean things to leave her house. She did and the atmosphere changed. We entered into a bedroom where she had placed stuffed animal and dolls on the bed and on the floor for decoration. As we were in the room the woman walked over to a doll that had a porcelain head. The top of the head had popped off like it was cut. She said she was in the room the day before and the doll wasn't like that. She didn't have children and no one else had been in the room so there was no natural reason for the doll to be that way. That's when she told me about the doll. She had gone on a trip to Jamaica a

year or so earlier. She was looking at the doll and one of the natives warned her not to buy it because it had bad magic. She being a skeptic and looking to prove something bought the doll anyways. Upon reflection, that was when her mysterious illness began. When I had prayed for her when I first came in, breaking off curses, hexes, vexes, witchcraft, voodoo, incantations, spells, sorcery and the rest, the spirit left the doll it was inhabiting. We continued to pray through the rest of her house. By the time I left the woman was walking without a walker, fully upright with the light of the Lord was upon her.

Some experiences are locational. There are demonic spirits that linger around certain areas. Spirits of sickness and death hover around doctor offices and hospitals. Spirits of accidents hover around certain highways and cause accidents. There are some places we can walk where our feet will just start hurting. It's not because of the shoes.

Luk 10:19 *"Behold, I give unto you power to tread on serpents and scorpions, and over all the power of the enemy: and nothing by any means shall hurt you."*

Jesus has given us power to tread upon serpents and scorpions, but serpents bite and scorpions sting. Think about what it would be like if you were walking on a floor covered with serpents and scorpions and you didn't have the proper foot protection on. You would definitely be stung and bitten. That what is happening in the realm of the spirit whether you can see it or not. You can read more about how to have your feet shod properly in my book

"Growing in the Kingdom of God - Nuggets of Truth"
Volume II.

Some places have a higher concentration of demonic activity than others. There are demonic portals that are opened when we establish bars, pornography shops, liquors stores, psychic shops, Masonic lodges, idol worship and more. Whole cities, counties and nations can be portals for the demonic when they are given over to sedition, idolatry, greed, lust and corruption. That is why you have to ask yourself, "Where have I been and what did you bring home?"

Have you been subjecting yourself to someone or something on a regular basis? Contrary to popular belief, even among Christians, Yoga is not good for you. The poses are designed to open portals and pathways into the individual. The unsuspecting and ignorant will fall prey.

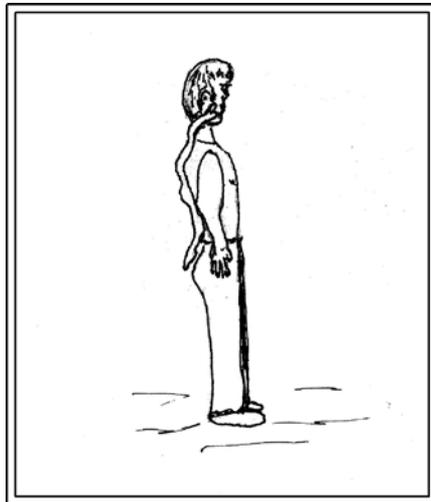

Some homes are plagued with sickness and disease. It is locational. If you moved into a new home and were healthy before you moved there and are now sick all the time it may be your location. What can you do? It depends. It depends who you are and whose you are. If you do not live for God and Jesus is not your Lord and savior I would tell you to move. You don't have the authority to get rid of the demons there. Even if you brought in someone to pray through your house for you the spirits will return because you don't have the authority to keep them away. As a matter of fact, you'd probably become more sick or even die.

You can laugh or even mock me for this because you don't want to believe the truth. The woman in the story above didn't believe either until it touched her life personally. She is a believer in Jesus and that is why I prayed through her home. She was just ignorant of Satan's devices, as are many Christians.

Fear

Are you experience feelings of fear and anxiety. Are these feelings overwhelming you? Sometimes to the point where you can't breath or move?

Are you feeling them right now? Do they make you jittery? Uneasy? Does it feel like you sometimes don't have control over your own body? Does it feel like your skin is crawling up your back?

So you can continue reading in peace I am going to do something right here. "I command you unclean spirits to stop tormenting this person right now! In Jesus name."

You should immediately experience a release. Read the paragraph again. Take a deep breath. Exhale. Good.

Now we can address what is really going on inside. You might be wondering what just happened.

Luk 10:20 *"Notwithstanding in this rejoice not, that the spirits are subject unto you;"*

The spirit that was tormenting you is subject to me. It must obey. If you are true child of God then they are subject to you as well.

Fear is a spirit. That includes all forms of fear; anxiety, worry, tormenting thoughts, depression, oppression, doubt, unbelief and anger. There are more forms of fear but these are major ones.

2Ti 1:7 *"For God hath not given us the spirit of fear; but of power, and of love, and of a sound mind."*

As you can see in scripture, fear is a spirit.

1Jn 4:18 *"There is no fear in love; but perfect love casteth out fear: because fear hath torment. He that feareth is not made perfect in love"*

Fear has torment. Torment can come in many different forms. The easiest way to describe torment is to say that it is the absence of peace.

There are many different levels of fear. Believers and unbelievers battle fear. Fear according to scripture deals with a lack of perfect love.

Obviously this cannot be love toward our fellow man or woman. This deals with the perfect (agape) love of God in us toward God. When we trust God we do not have fear. We may trust God in one area have difficulty trusting God in another area. For instance, we may trust God with our salvation but we don't trust him to provide for us. Thus we have anxiety about money.

This however, is not the fear we are dealing with here. The fear the I want to disable and dismantle from your life right now is the one that came in through an event. An accident or an incident that you had no control over to stop. An event or repeated events that opened up your heart and allowed spirit of fear to enter in to destroy you. To steal your life, your purpose and destiny from you. There are some events that happen in our lives that open doorways or gateways into the realm of the spirit which allow malevolent forces to come in and have access to our lives. This is quite complex. There is no set of rules of how or why they come in. The fact is that they do. Sometimes we open them through the things we do; like participation in occult rituals or practices. Other times they are opened because of things we bring into our lives unknowingly.

Accidents or traumatic events like the loss of a loved one or extreme illness can open these doorways as well. Through these events these malevolent spirits gain entrance and set out to destroy us and those around us. There is no such thing as a good demon or imp or spirit guide.

As I stated before, objects in our home can house or attract certain spirits and give them permission to influence your life.

Some fears and afflictions can attach themselves to us through sexual relationships with others. If you never experienced these feelings your past, until you had relations with a certain someone, then chances are, just like a sexually transmitted disease, this spiritual dis-ease transferred itself to you.

If you were molested, abused, raped or tortured. Fear, along with other spirits would have access to you.

Feelings

What other types of feelings could you be experiencing? Feelings of being watched. Feeling changes in temperature hot/cold. Feeling a change in the atmosphere around you, suddenly becoming very still or heavy. Feelings of dread. Seeing shadows out of the side of your eyes?

No you're not going crazy. You probably are truly experiencing these things. Like I said earlier some demonic spirits are locational. Especially if there was

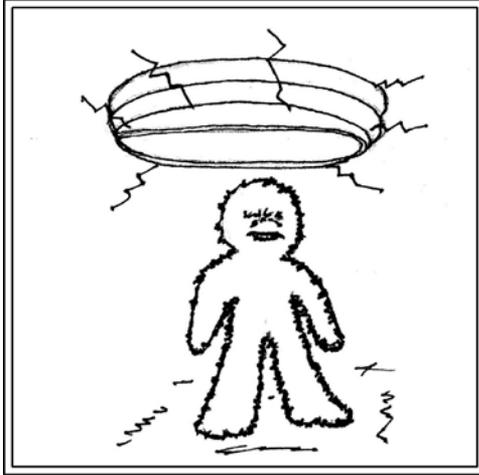

violence or sickness in the place at one time.

Years ago I was living in Florida. I had neighbors who had a little girl. She was a normal healthy child but she started displaying a very fearful behavior in a certain part of there home. The little girl didn't want to go anywhere near there. She would start screaming and crying. Her parents said something to me about it and I offered to pray through their house. They didn't tell me where the little girl was having a problem. I knew as soon as I walked into the area. The Lord showed me someone had committed suicide in the house and the spirit of suicide was still there. This was their house so I asked them for permission to dismiss the spirit. Of course, they said, "yes". I command the spirit to go. A little on that. Years earlier I had asked the Lord what to do with the demons and this is the scripture He gave me for it. Mar 11:23 *"For verily I say unto you, That whosoever shall say unto this mountain, Be thou removed, and be thou cast into the sea; and shall not doubt in his heart, but shall believe that those things which he saith shall come to pass; he shall have whatsoever he saith."* So I command the spirit to be removed and cast into the sea. After having prayed the little girl no longer had a problem. The fits stopped and she was fine. I was informed later on that a woman had hung herself in that very spot!

Here is another true story.

About 12 years ago three young girls around the age of 14 got a hold of a witchcraft book for teens. They decided

they would perform a spell from the book. One of three girls related to me her experience. She said after the other girls left she was sitting on a couch when something got right in her face breathed on her while it spoke. This girl had been raised in a Christian home. Yet this demonic entity came through a portal the girls had opened with the

spell. She even repented with tears afterward. This malevolent inter-dimensional being did not leave. It began to plague this young girl's life. She began to get into trouble with the law. Every time she would try to get her life right something would happen and she'd be back in trouble again. Although she had repented to God, she did not yield to Him. She continued on in doing things her own way. When she was old enough to be on her own she began to have demonic activity everywhere she went. Things would move around. She would feel things pass by her. Yet, she would not stop the things that continued to

give this demon permission to influence her life. She would continue to watch scary, demonic movies. She would listen to music that would literally feed the demon. Drug use, drinking and hanging out with the wrong people. This demon would come in and bring fear, cold chills, sweats. It would move furniture around. There has been several attempts to kills her. She would cry out to Jesus when it got too much for her. It would provide temporary relief and then should would be back doing what she did before. This being was sent to destroy this woman's life. She has suffered much loss because of her unwillingness to completely yield to the Lord and His will. I know that she is alive because of the prayers of the saints for her. God alone knows what it will take to bring us to our expected end. When we completely surrender all to Him.

Are you wrestling with God? How do you expect to gain victory in your situation without His help? You cannot do it without Him. It is not by chance that you are reading this book. It is by God's design. There truly is a war raging in the realm of the spirit. There are good and evil forces that we may or may not see. The war is over us. Where will we spend eternity?

Accidents

Are you or someone in your family "accident" prone? I have good news for you. It's just a demonic assignment and you can get rid of it.

When my boys were little my son John kept hitting his head on the same spot. It's like there was a target right

there. If he fell he would hit his head right on that mark. That's when a friend of mine told me how Satan causes accident assignments to weaken certain parts of the body. He told me that throughout the years he had kept getting hit on the back of the head, until a tree branch hit him on that weakened spot and he had to get a metal plate in his head.

That was enough for me. I canceled all accident assignment against my son. They stopped. Just like that. He never hurt himself there again.

I don't even wait for a pattern of recurrence to form. I just command accidents to stop on one event. Generally I pray against them for people before there is an event. It is preventative.

Some accidents afflict families because of a curse in their family line. If you are born again you have the right as a believer to have the curse placed on the cross of Jesus and under His blood. If the rest of your family is not saved, you can still pray for them. You may have to go through a process of deliverance to get to the root of the curse. Repentance of the sins of your ancestors will also be a necessary part of the process. It is the sins of the father that come down.

How do you cancel the assignments?

Pray: In the name of Jesus, I cancel all accident assignments against, Me, My family, against (name). I command the spirit of accidents and all demons that work

with you to be removed and cast into the sea. Then back it up with the word of God. No weapon formed against me shall prosper, and every tongue that rises against me and my house will be condemned.

Isa 54:17 "No weapon that is formed against thee shall prosper; and every tongue that shall rise against thee in judgment thou shalt condemn. This is the heritage of the servants of the LORD, and their righteousness is of me, saith the LORD."

Demons

Access

Very important. We must not have Satan's stuff in our home.

Do an inventory. Let the Holy Spirit show you if you are not sure. Some things you can just pray over. Apply the blood of Jesus and command all unclean things to go. Other things you must destroy and dispose of. You cannot give those objects away, you must destroy them!

This should be done over EVERYTHING that comes into your house. Why?

OBJECTS: When a individual is operating in a demonic spirit and creating an object whether it be art, jewelry, books, painting, furniture, music, movies, antiques, clothing..you name it. They will release the spirit that they are operating in, into the object. Thereby giving it a home. When you bring the object into your house, you bring the demon in with it. Giving it legal right to operate and influence your surroundings.

Please don't forget your children's toys! Where do you think the idea comes from to create those little demon toys to start with? Demons looking for a house to occupy.

Many times people overlook clothing bought from second hand stores or passed on to you from a friend or family

member. Lay hands on these clothes. Apply the blood of Jesus and command all unclean things to go. Make this a routine. If you choose to wear clothes with skulls and demonic symbols on it, that's your choice but don't bother to pray over those clothes. We should not be glorifying death and Satan in this way.

At times, we suffer sickness in our body or diabolic attacks because of what we are wearing or what is in our house. Satan's people know what they are doing. They are doing it with the intent to harm YOU. They release all kinds of curses in to objects. Crystals and jewelry. Is a stone or crystal in and of it's self evil. No, of course not. But just like any object. Things can be release into it. For good or evil. Lay hands on EVERYTHING and release the blood of Jesus over it. Get your anointing oil out and anoint it with oil too, if you feel led. We are told the weapons of our warfare are not carnal, but are mighty through God. To the pulling down and destruction of strongholds.

3. *For though we walk in the flesh, we do not war after the flesh:*

4. *(For the weapons of our warfare are not carnal, but mighty through God to the pulling down of strong holds;)*

5. *Casting down imaginations, and every high thing that exalteth itself against the knowledge of God, and bringing into captivity every thought to the obedience of Christ;*

6. *And having in a readiness to revenge all disobedience, when your obedience is fulfilled.* II Cor 2:10 3-6

What are some of these strong holds? The way we have been thinking and perceiving things around us.

How can we revenge all disobedience? Who's disobedience are we revenging?

Ours and Satan's. Here is what I mean. When we are not walking in the fullness that God has called us to walk in; whether it be from ignorance or willfully transgressing the law of God, we open up all kinds of doors in the spirit for the enemy to operate in our life. When we get our spirit, soul and body in line with the will and purpose of God we begin to move in obedience. Obedience is an action motivated by faith in the word of God. We act because we Believe. It's at this point we can revenge disobedience of the trespass of Satan in our lives and our family. We can call for the Justice of God. He will avenge us. For vengeance is the Lord's.

What should you do next?

Take your anointing oil and anoint every door and window in your house. As you do this apply the Blood of Jesus. Command all unclean things to go out of your house and off your property never to return in Jesus name. Remember as a child of God, You DO have the authority to do this. The demonic spirits MUST leave. Thank the Lord Jesus. Give Him Praise.

Other important objects to anoint is your television, radio, computer and cell phone. Decree that it will not be a portal for the enemy to move through and release stuff into your house. With all things you must use discretion in what you watch and what you listen to. Don't quench the Holy Spirit

of God. If you're not feeling right about watching something, don't. Our eyes and our ears are windows and portals to our soul. Everything you let in will effect you. Believe me, don't be deceived. You can't handle it. It is effecting you, whether you notice it our not.

NEVER NEVER NEVER leave the television on all night while you sleep. You have no idea what is being released in your soul. Use Wisdom.

If you are not confident or unsure about stepping out. Ask a fellow Believer to stand with you. I do want to reassure you. As a Believer you can take authority in these areas of your life. It might feel a little scary, just rely on Jesus. The enemy will try to release fear to get you to stop. Ask God to infuse you with His faith. The Blood of Jesus never fails. Greater is He that is in You than he that is in the world.

“Ye are of God, little children, and have overcome them: because greater is he that is in you, than he that is in the world.” I John 4:4

Please remember. This is just a small teaching on the subject. I would encourage you to dig into the word of God and find His promises for your life. You are empowered by the Word of God that is in your heart. If you don't know it you can't apply it. Then once you know it, do it. Do not be afraid to step out. The word of God is for every Believer. You don't have to sit in a pew for years before you can do something. The word is a NOW word, and it is for every

Believer to use NOW. Don't let someone tell you, you can't. God says You CAN!

Experiences

Have you ever laid your keys somewhere and gone back for them and they were missing? How about any object? You know, that you know that you placed your keys right on the counter where you always put them and they weren't there. What happened to them? On your mad search you might lose your cool because you are trying to go somewhere and you cannot find them. What are all the emotions you begin to feel? Think about it. You look all over the place. Frustrated, you finally go back to the first place you looked and there they are! Right where you knew you left them.

What just happened?

How about when you go into a room or a place and the hair stands up on the back of your neck? Or you experience a cold spot in the center of a room that is closed off and there is no draft.

Have you experienced pressure changes in your ears while you've been sitting in one place (not driving)? Not moving at all.

Do you hear high pitched noises in your right or left ear for a moment then it stops? Maybe it sounds like buzzing or ringing.

Have you been walking and suddenly felt light-headed, almost like something rushed by your head, maybe even a sudden heaviness settle upon you like you are about to pass out?

Here's a good one. How about the mysterious flies or insects that seem to pop into the atmosphere and fly right at your face or sit on your computer screen.

Have you experienced any or all of these things? There are plenty more bizarre types of things like these that can happen. When they do, how do you respond? Do you just brush it aside? Do you think you might be going crazy? Do you tell people and they look at you crossed-eyed suggesting you might need a straight jacket?

There are forces behind these events. All are demonic in nature. Some are induced by people involved in the occult targeting you and others are directly the result of demonic activity. Lastly they can be the result of charismatic witchcraft or wrongful praying of others over you.

We are in a very serious time in history. It is imperative that we understand the worlds around us. Yes I said worlds. There are many dimensions. Whether we personally see them or acknowledge them does not make them less real. We can no longer be naive to the influences that are around us.

So what was it that happened when our keys went missing? Were they moved? No. They were hid from view by a malevolent, troubling making prankster imp. What's an

imp? It is a smaller size demonic presence that comes into our lives when we engage in the occult. It doesn't matter whether you read your horoscope, have your tarot cards read, go to a psychic, call the psychic hotline or read about and participate in white witchcraft, or other crafts. You get to have an imp assigned to you. Believe me they are not cute. They are there to undermine your life. Good things will become bad, they start trouble in relationships, mess with your finances. They are familiar spirits that report what is going on in your life to higher ranking demons. They are the ones that inform on you to psychics so it appears that a psychic knows mysterious things about you. They psychics themselves don't know this is where there information is coming from. Often times, they are ignorant pawns just being used by these demonic forces.

Our bodies have a way of discerning or registering the presence of other beings around us. Some people can actually see these beings. Some people are more discerning than others. Our hair standing up on that back of our neck is one way we can discern them. It is a way of caution that God has built into us. Be Alert, something else is at work in our surroundings.

Pressure changes in our ears our around us is also a form of discernment. Beings have either entered or exited the location. They can be Godly angelic beings or demons. In my experience they are usually Godly beings.

High pitched ringing, buzzing or whining sounds in our ears can represent demonic communications going on around us. Years ago I kept hearing these noises, finally I

asked the Lord what it was. He told me it was demonic communications concerning me. I told Him I wanted to know what they were saying. He told me it was sufficient to know that they were around and it was about me. When it is important for me to know what they are saying the Lord lets me hear them.

Another experience a person may experience, especially if they are growing in the Kingdom of God and becoming a threat to Satan and his kingdom is witchcraft. Sudden light headedness, feelings like you are going to suddenly pass out; unless you are doing strenuous exercise without enough fluid and salt in your body, can be caused by witchcraft. When people involved in the occult have targeted you, you may experience these and other weird feelings in your body. Suddenly not being able to focus or form a coherent thought. Sudden feelings of confusion or despair. There are many things that may try to attack a believer, we must be discerning and stand in our authority. Command it to go. Bless those that curse you.

We are admonished in scripture to discern between good and evil. As we grow in our walk with the Lord we become a threat to Satan. The more people we lead out of darkness into God's light, the greater the threat. The more captives we loose the more we tear down Satan's kingdom. If you do not pray, let me take a step back. If you are not saved; meaning Jesus Christ of Nazareth is your savior. You are not a threat at all. You are Satan's. You are all ready going to spend eternity with him. If you are saved but have not made Jesus your Lord, you may be in the

Kingdom of God but you are not much of a threat. It's when we yield all our will and everything we have to Jesus for His use, then we become a threat. The more you pray and spend time in the Lord's presence, the more you will know about God's Kingdom. It is the time spent in God's presence where His secrets are revealed. If you don't pray, you cannot grow. It's like having a plant and not watering it.

2Sa 14:17 " *Then thine handmaid said, The word of my lord the king shall now be comfortable: for as an angel of God, so is my lord the king to discern good and bad: therefore the LORD thy God will be with thee.*"

Heb 5:14 " *But strong meat belonging to them that are of full age, even those who by reason of use have their senses exercised to discern both good and evil.*"

Animals

A demon can occupy an animal. Luk 8:33 " *Then went the devils out of the man, and entered into the swine: and the herd ran violently down a steep place into the lake, and were choked.*"

Do you have a nice, loving animal that suddenly changed in personality? Pay attention to your animal's behavior. They can be affected by demons just like people. Jesus cast the demons from a man into a herd of pigs. When we cast demons from people we have to specify where they are to go. You do not want them going into

your pet. Tell them to be cast into the sea or go to dry places.

I have had dogs, horses, chickens and cats. When the behavior of my animals suddenly changed it was usually because someone came on my property who was not normally there. I would just command all "unclean" things off my animals and my property.

In the realm of the spirit demonic influencers can look like little maggots that get dropped upon people, animals, things and places. What does a maggot do in the natural? What does it turn into? Maggots eat rotting flesh and dead things. So it is in the spirit realm. When I see things on people like maggots they are usually not feeling well. I pray as instructed by the Lord concerning each individual. We must be sensitive to the leading of the Holy Spirit. Two people may be suffering from the same thing, yet the Lord may have us pray differently for each one.

How else can an animal be used? Individuals who yield themselves to the demonic can use animals to spy on individuals. There are shape-shifters, people who can turn themselves into animals, birds, snakes and their are those that send their spirit into an animal and use the animals eyes to see and spy on people. Yes, this is not a fairy tale. People really do this. Satan has gone through great length to make you believe it can't be done, while his slaves go out to find those whom he may devour.

2Co 11:20 *"For ye suffer, if a man bring you into*

bondage, if a man devour you, if a man take of you, if a man exalt himself, if a man smite you on the face."

1Pe 5:8 *"Be sober, be vigilant; because your adversary the devil, as a roaring lion, walketh about, seeking whom he may devour: "*

I cannot tell you how many times I have tried to stop people from yielding to Satan's devices. I would try to explain to them what was really going on in the spirit. Yet, now matter how I tried to show them they would not hear.

Mar 4:12 *"That seeing they may see, and not perceive; and hearing they may hear, and not understand; lest at any time they should be converted, and their sins should be forgiven them"*

We do not have to know how Satan's people use animals against us. We just need to know that he does and as believers we need to know how to block them in the realm of the spirit.

We must have a close walk with Jesus. The closer our walk, the more holy our walk will be. We will be hidden in God. We do not need to fear. The enemy will fear us. We must be mindful of the enemy's devices to lure us into pride, strife, unforgiveness and the works of the flesh.

Psa 83:3 *"They have taken crafty counsel against thy people, and consulted against thy hidden ones."*

Psa 91:1 *"He that dwelleth in the secret place of the most High shall abide under the shadow of the Almighty."*

Psa 34:7 *"The angel of the LORD encampeth round about them that fear him, and delivereth them."*

When we dwell in the secret place of the Most High, and are hidden in Him, His angel will encamp round about us and deliver us from Satan's schemes.

Sleeplessness

Electronics

Are you one of those people who go to sleep at night with the television on? How about the radio or the internet?

Do you sleep well? Do you have refreshing sleep? Do you have fitful sleep, tossing and turning all night? How about your dreams?

What kind of dreams do you have?

Do you have the kind of dreams where you are being attacked, running or terrified by something?

Do you have erotic, sex dreams or dreams about drugs and drinking?

How does your body feel in the morning when you get up? Does it feel like you were in some kind of wrestling match. Did you feel better before you went to sleep than when you woke up?

I would like to make a suggestion to you if you are one of those people who sleep with electronics on. STOP. If you absolutely must have noise for you to fall asleep play bible Cd's or put something on that you know exactly what will be playing. There is a reason for this.

Our subconscious is always receiving input. When we are

awake our conscious minds work as a governor or gate keeper to monitor what is being received. When we are sleeping we are not governing what comes into our subconscious. Anything can come right on in. It is our subconscious mind that ultimately controls what we think, how we respond and what we believe. That is why it is important to place controls over what comes into us at night while we sleep.

Additionally, the electronics are emitting wavelengths, even your alarm clock that glows blue, red or green at night is emitting something into your environment at night. It is not really enough to shut the power off. If you really want to stop the transmissions you must unplug the electronics. The wiring in your house is emitting too but we'll have to deal with that.

Whether you believe me or not, it does impact you. Try shutting everything off for a week at night. See if you sleep better.

There are also some promises from God regarding our sleep that He has given us. We should be praying over our sleep at night.

“I will both lay me down in peace, and sleep: for thou, Lord, only makest me dwell in safety.” Psalm 4:8

“It is vain for you to rise up early, to sit up late, to eat the bread of sorrows: for so he giveth his beloved sleep.”
Psalm 127:2

“When thou liest down, thou shalt not be afraid: yea, thou shalt lie down, and thy sleep shall be sweet.” Prov 3:24

There are BIBLE PROMISES books available to help categorize God's promises. They are helpful reference books that can be found in most Christian bookstores or online.

So how would I apply this information to my life? Like this. This is what I pray.

Satan, I bind you from my sleep, dreams and visions. I thank you Father for peaceful, restful, undisturbed, uninterrupted, refreshing, sweet sleep. I apply the blood of Jesus over my mind and my family and my animals and everything and everyone having to do with me. In Jesus name. Amen

Things don't have to be hard for them to work. You just have to believe they will.

Dreams and Night Attacks

Now let's look at your dreams.

I know, if you are like me, when you go to bed at night you just want to go to sleep and wake up refreshed. I like to have God dreams too. So I bind Satan from my sleep, dreams and visions and declare I have dreams and visions from God. I pray that prayer very regularly. If you are wanting to start praying that prayer at night, pray it every

night. Make it a habit before you go to sleep. You should see an immediate change in your dreams.

What if you are still having fleshy or scary dreams. First you must check yourself. Is there something in you that

you do not want to deal with while you are awake that is trying to be dealt with while you sleep. Are you angry at someone? Are you holding unforgiveness toward someone? If you are, you need to forgive them and release them from whatever they have done.

I am not trying to over simplify this. I know there are some things that are very hard to release. Some things people have done to us, maybe still ongoing. Nonetheless we must find a way to release them to the Lord. If things are continuously popping up to the forefront of your mind you need to deal with it. I may not be going through what you are going through, but I have been through my test and I can tell you God can help you. You may have to release them fifty times a day. Eventually it will release.

O.K. that's not your problem. Are you getting attacked in your sleep? Experiencing scratches and/ or bite marks when you wake up? You are encountering a demonic entity. You can be saved or unsaved and experience this. First thing with this kind of attack is you have to break the right for this spirit to have access to you. There are several ways a spirit can have access in this manner. Having a sexually promiscuous lifestyle. You may have a soul tie with someone you had intercourse with that is giving access to this demon to attack you. Agreement with having

this spirit attack you. Mentally acknowledging that this will happen and there is nothing you can do about it. I am sure there is more.

If you have not made Jesus your Lord and Savior at this point I would say if you truly want to be set free from this attack you must repent and be saved. Ask Jesus to come into your life and make Himself known to you. Ask the Holy Spirit to fill you.

Now we must shut every gate and access path into your life. First let's break all ungodly soul ties. What is a soul-tie. Your soul is your mind, will and emotions. It can be tied to people, events and places. When a person has sexual intercourse with someone a piece of them goes to the other person and piece of the other person comes to them. What you have to do is declare: I (name) break the soul ties with (name) and I command my part back to me and send their parts back to them in Jesus name. Do that as many times as there have been relationship to do it with. You can pray that with regards to anyone who has negatively impacted your life. Then declare: I release them and forgive them and bless them in Jesus name.

In a sense, this is like cleaning cache on your computer. Getting out all of the junk files that have been polluting your hard drive. This may take some time. It may be emotional. Allow yourself to go through the process it will be worth it in the end.

Pray the shotgun prayer at the end of this book.

Now pray: I thank you Lord, for peaceful, restful, undisturbed and uninterrupted sleep. Amen.

Psychic Projections

Depending on how you live your life you may be attacked in your sleep for living Godly.

There are people in the world whose sole assignment is to destroy God's true people. These people will use supernatural means to send psychically projected thoughts into the minds of believers while they sleep.

Have you ever had a dream about someone and woke up really angry with them because of something that happened in a dream? When these people truly did not do anything wrong toward you. This is a form of a psychic attack to bring division between spouses, friends and others.

Here's another one. You woke up having a strong desire to

have a cigarette, drugs and a drink, when you don't smoke or drink or do drugs.

Sexual dreams, for no apparent reason. Not watching dirty movies, not being around people you shouldn't be. These are just a few examples. Some projections can be very elaborate. I've even had individuals attempt to project themselves into my room while I slept. That didn't go well for them.

How do we block access to us while we sleep? We use our authority as believers. We pray. We must always check ourselves for the day. Repent of anything that you might have, said, thought or done that was not in line with God's word, will, plan and purpose for your life. Forgive and release anyone who has offended you or hurt you. We must not have any foothold for the enemy to gain access. Cover ourselves afresh with the blood of Jesus. The devil hates the blood of Jesus. It reminds him of how defeated he truly is. There is no other power greater than that given in the name of Jesus. When we abide in him and he abides in us the devil has no legal right or access into our lives awake or asleep. Every gate, door, window, access path, inter-dimensional portal, witchcraft air-path all these things we shut down in the name of Jesus. The Lord is a shield about us.

Psa 91:4 *"He shall cover thee with his feathers, and under his wings shalt thou trust: his truth shall be thy shield and buckler.*

Psa 91:5 *Thou shalt not be afraid for the terror by night;*

*nor for the arrow that flieth by day;
Psa 91:6 Nor for the pestilence that walketh in darkness;
nor for the destruction that wasteth at noontday."*

Lifestyle

Satan's people are in all walks of life and society. They are even in the church. Just like God's people.

The key for you and I is how we live. When we truly live for Christ and have a real relationship with the Father, we will live a lifestyle worthy of the cross. To have a true encounter with God brings change. Many people are not changed when they except Christ because all they did was say a prayer. They had no encounter. When you have an encounter with the one true living God you cannot help but be changed. You will not sin willingly because sin will no longer be present in you.

There is a process of change. When we first come into the Kingdom of God we still have a worldly mindset. We are at a miserable state then because we know we cannot do what we did before but we do not yet have the tools we need to truly go forward. Friends will try to convince us nothing happened and pull us back into our old lifestyle. We must not yield to this temptation. We must ask the Holy Spirit to help us. We must draw near to other more mature Christians that can teach us the ways of God.

The lifestyle we lead will determine what is going on around us. When I first was saved I came out of the occult. I had a lot of occult stuff in my house. My pastor and his wife came over and prayed through my house. They just prayed. To be honest with you, at that time I had no idea what they were praying or what it meant. They may have

said the Lord might show me some things to get rid of but they never pointed anything out.

It wasn't too long after that the the Holy Spirit prompted me to burn all my occult books, throw away the jewelry and destroy the paintings. I had a little backyard bonfire and got rid of everything.

As soon as those items were gone the atmosphere in my house drastically changed. It actually got lighter. I had destroyed things that were drawing darkness to me.

God changed my friends too. He brought new people around me. Old, destructive relationships were dissolved.

I had to stop doing what I did before. That included watching TV. programs that were now no longer good for me to watch.

The music we listen to can subtly affect us.

Back in the 90's I was working in a publishing company. The radio was on in the office and I would just start singing with the music. Not paying attention. One day the Lord told me to stop and listen to the music I was singing to. He pointed out the words of the song to me. What song it was, I couldn't tell you now. I just know that He told me I did not want to be releasing those words over my life by the repetitious singing of the song. He got my attention.

It's difficult to catch these things when you are in the store

and they are playing nostalgic songs from our youth. Satan knows exactly what he's doing. You start humming while you shop, maybe start singing or even dancing while you're going down the isles. Don't tell me it doesn't happen. I know it does!

While I'm on the topic of music, here's a bunny trail. It's not alright to take a worldly song and put different lyrics to it for church use. People are not worshipping God in this. They are being moved through the recognition of the song in the world. Don't be deceived. Has God suddenly become limited in new music that He can give to His sanctified ones? Maybe that is the point. Are you sanctified? God said when we are saved we become new creatures or creations in Christ Jesus.

2Co 5:17 "Therefore if any man be in Christ, he is a new creature: old things are passed away; behold, all things are become new."

Please look at the scripture. Old things are passed away. What does that include? All Old things. That includes music, movies, books, clothing style, friends, anything that does not reflect the Kingdom of God.

You can't put new wine in old bottles.

Luk 5:37 "And no man putteth new wine into old bottles; else the new wine will burst the bottles, and be spilled, and the bottles shall perish."

Luk 5:38 *“But new wine must be put into new bottles; and both are preserved.”*

Do you see what this scripture is saying? You cannot bring the “world” into the church. We are suppose to be bringing the “church” into the world.

The church has failed miserably in this area. In an effort to increase church attendance, we have compromised the “Truth”. Holy Spirit led prayer alone will grow the true church.

Who wants to be a part of a church that is powerless? I don't. What do you have as a believer that stands out from the world? What makes you different? Can others see it in you?

I'm not talking about being religious. I'm talking about truly reflecting Christ.

Php 1:20 “According to my earnest expectation and my hope, that in nothing I shall be ashamed, but that with all boldness, as always, so now also Christ shall be magnified in my body, whether it be by life, or by death.”

Involvement with the Occult

Occult Objects

What are the things that you keep in your house? Objects can act as carriers, transmitters and receivers of demonic entities.

When I was involved in the occult I used to paint and write. I would impart the spirit I was allowing to flow through me into the objects I was working on. I was not doing that with the intent to bring harm to anyone but there are plenty of people in the occult that use object to do exactly that. They want you to bring these demon carrying objects into your home.

If you are in the occult you know exactly what type of objects I am talking about. You can feel the energy coming off the objects. Crystals, jewelry, paintings, skulls, candles, pictures, books, knives, clothing, idols, music and even patterns on the floors and walls and symbols. The unsuspecting person just carries these things right into their homes, where their new inhabitants begin to cause havoc in their lives.

Ever wonder why a child would suddenly just begin changing in their behavior and appearance after getting a new necklace or earrings?

It doesn't have to be blatantly demonic looking in nature. A crystal necklace, or a dream catcher. Oh look, they're

pretty. It's that simple. Upon careful perusal of your home led by the Holy Spirit you may find that even the most diligent of people may have something in their home that shouldn't be there.

If you put a piece of jewelry or clothing on you and start feeling funny take it off immediately! Things can be attached to anything.

Pay attention to what comes in your home through the mail too. If everything is quite and calm in your home and then suddenly arguments erupt. Stop and inspect what just changed in your surrounding. Did someone or something just come into your midst. With some things or people it is obvious, but with others it is not.

There is a world at work and it is working against you. It wants your peace, your freedom, your health and ultimately your life.

There is no victory over this except through Jesus. You must be born again to have the authority necessary to drive these things from your midst.

Occult Games

Occult games have been the snare that has entrapped many people. Games like the Ouija board; which is not a game at all. It is a key access place for many demons to have entrance into people's lives, crazy 8 ball, Dungeon and dragons, Pokemon and many of the games and cartoons

that are currently out there are introducing the occult to our children. There is so much more that could be said about these objects, games and cartoons. They are impregnated with occult symbols. Each symbol draws to it a different demonic force. These symbols give access to spirits to come. They are like homing beacons.

When my kids were little Pokemon was just coming out. I made it a habit to sit and watch TV with my children. I wanted to see what they were seeing. Whenever this program would come on they would start fighting with one another. If the kids were outside and had these Pokemon cards inevitably there would be a fight. Back then I did not know what I know now about all the witchcraft symbolism that these cards are laced with. I just was able to see their impact. Eventually all the cards made it to the trash.

There is something that lures individuals to "check it out". It can feel compelling, hypnotic. The lie is, this won't hurt. This isn't the "bad" stuff. Wrong. It's the small foxes that spoil the vine.

The reading of tarot cards will open you up to demonic access, as well as, going to a psychic.

Many action figures have their origins in the minds of occult members that release the demonic into the toys that we give our children to play with.

Just look at the programs being launched on TV nowadays. They are glorifying witchcraft, vampires, werewolves,

demons and more. If there wasn't somekind of pull or attraction to these things people wouldn't be watching them. How do they effect you? Do you watch these types of programs?

I am just barely touching the surface of these things.

There are secret societies too where they devise evil plans to influence our children.

All Satan needs is one door, from there he will entice you to open many other doors.

Anger and rage are evidence of demonic and occult activity. If you, your children or someone around you has had a sudden personality change you should try and find out if they participated with any type of occult activity. Some Native American rituals are also occultic in nature. Check out all avenues.

What if you have participated in these things and you want to be set free from their influence. What should you do?

You must be born again. You must repent for your participation in these activities and ask God to forgive you. Accept Jesus as your Lord and Savior and ask Him deliver you from everything you yielded yourself to. Ask Him to shut the doors, gates, windows and access planes that were opened through your participation with the occult.

You need to ask the Holy Spirit to fill you with His

presence. Then find a true believer in Christ. Ask the Holy Spirit to help you with that. Many people say they are the Lord's but they are not because they deny His power. The Jesus I serve has the power to deliver you. You will need someone to help you walk through this if you were very involved with these things.

Occult Books

What kind of books or reading material do you keep in your house? If it has been a while since you've gone through them you may want to go through them again. Just like other objects, books will draw things to you. Don't be deceived you should not be researching the occult nor do you need to have samples of their books in your environment.

There are plenty of people that have been saved and delivered from the occult that already know what they need to in order to expose Satan's strategies. If you don't know about it, don't go find out about it. The Lord will send to you the things He wants you to know. We are to think on those things which are good, lovely and of a good report. What ever you focus upon you become. So in short, stay focused on Jesus.

Php 4:8 "Finally, brethren, whatsoever things are true, whatsoever things are honest, whatsoever things are just, whatsoever things are pure, whatsoever things are lovely, whatsoever things are of good report; if there be any virtue, and if there be any praise, think on these things."

Not too long ago my husband and I met a pastor and his wife and they invited over for dinner. During our dinner conversation I heard of all the sickness and ailments they have had to fight and are still fighting. My husband threw into the conversation talk about Masons in the area. To which the pastor responded, I have a Masonic bible and I know of a few masons in the church. I was somewhat stunned at this statement and simply asked "why?" He said he had the Masonic bible in his house for reference. He proceeded to get it and show it to me. I told him, you realize this is part of the reason for your physical illnesses. It seemed to just go right over his head. I laid hands on the bible and shut it down as an access point.

To me this is such a basic principle, yet many in the body of Christ are completely ignorant to it.

Being Aware

Words

It is vital that we know what God says about us and our lives. This can only come through time and study of the word and prayer.

On a daily basis, count how many times people try to speak things over your life that are not God's plan for you. Pay attention to the words. Do you sub-consciously agree with them or worse, do you verbally agree with them. It doesn't matter what it is in regards to. It could be your health, your family, your finances, your job, your spouse, your pets; it doesn't matter. What are you agreeing with?

Psa 50:19 *"Thou givest thy mouth to evil, and thy tongue frameth deceit."*

What are the words of your mouth framing or creating?

When my boys were little, because they were twins, people would like to say, "Oh, double trouble." I would immediately correct them and say, "No, double blessings."

I have had to repent for coming in agreement with what appeared to be my circumstances, when God was telling me something completely different. I had to aline myself with Him and what He was saying.

When people at your job start talking about whose going to

lose a job, don't participate with that. Keep your mouth out of it. We are snared by the words of our mouth.

Pro 6:2 *"Thou art snared with the words of thy mouth, thou art taken with the words of thy mouth."*

One of the most powerful books I've read that made a difference in my life is, "The Power of Positive Confession of God's Word" by Don Gossett and E.W. Kenyon. I would highly recommend getting this book.

We must ask God to put a guard over our mouth.

Psa 141:3 *"Set a watch, O LORD, before my mouth; keep the door of my lips."*

Psa 10:7 *"His mouth is full of cursing (this does not mean profanity. It means speaking contrary to God) and deceit and fraud: under his tongue is mischief and vanity."*

Psa 17:3 *"Thou hast proved mine heart; thou hast visited me in the night; thou hast tried me, and shalt find nothing; I am purposed that my mouth shall not transgress."*

Psa 19:14 *"Let the words of my mouth, and the meditation of my heart, be acceptable in thy sight, O LORD, my strength, and my redeemer."*

Have you ever been on a horse and had to yank on the bit to get them to stop? Maybe pull the rein in the to the right or to the left to change their direction? Imagine if we were

wearing the bit. How many times would our heads have to be yanked in the other directions to get us to shut our mouths before we spoke?

Psa_32:9 “Be ye not as the horse, or as the mule, which have no understanding: whose mouth must be held in with bit and bridle, lest they come near unto thee.”

People say things about others, as though they are joking. But there is no such thing as a joke in the realm of the spirit. Our words are creating 24/7.

Psa 59:12 For the sin (offense) of their mouth and the words (power) of their lips (speech) let them even be taken in their pride (arrogancy): and for cursing (placing a curse, oath) and lying (failure of the flesh, leanness) which they speak (inscribe).

I hear people on a regular basis talking about health issues in their lives as though it is some kind of badge to be worn. How is it that Jesus promised us health and wholeness and we as the body of Christ are not walking in it? I cannot see any sickness or disease in Christ. Christ dwells in me, Christ dwells in you, then there should be no room for health issues. Our mouths and what we say and agree with contributes to this problem.

Gal 2:20 “I am crucified with Christ: nevertheless I live; yet not I, but Christ liveth in me: and the life which I now live in the flesh I live by the faith of the Son of God, who loved me, and gave himself for me”

Objects

If you are an individual that is pursuing God with all your heart, mind, and strength and are making every effort to grow in the Kingdom of God there are some things to consider.

Your job as a child of God is to press in and obey God. No matter what He tells you to do. Each step of obedience strengthens you in your Kingdom walk. There will be things God will ask you to do that seem to go completely against what you have learned or what you perceive to be your interpretation of God's word. Just keep obeying Him. Seek God and His Truth. The only true way to get to know Him is to be with Him. When you are solid in who God is, and who is in your life and who you are to Him you will be harder to deceive.

As you grow and begin to war in prayer, depending on your call you may encounter different kinds of opposition. Like I have already said, Satan has agents that are out there trying to stop us. They will use objects. These objects are left in places where meetings are going to take place. To the unaware they mean nothing, but to those whose assignment is to clear things in the realm of the spirit they are objects placed by Satan's agents to draw his attack and disrupt the meeting. Depending upon the territory, there will be different strongholds in operation and different agents assigned using different methods of witchcraft. I have seen objects used like straight pins, coats and

clothing, strings, ribbons, tissues, water bottles and more; anything could be used. It is important before and after meetings to do a spiritual and physical sweep of the area.

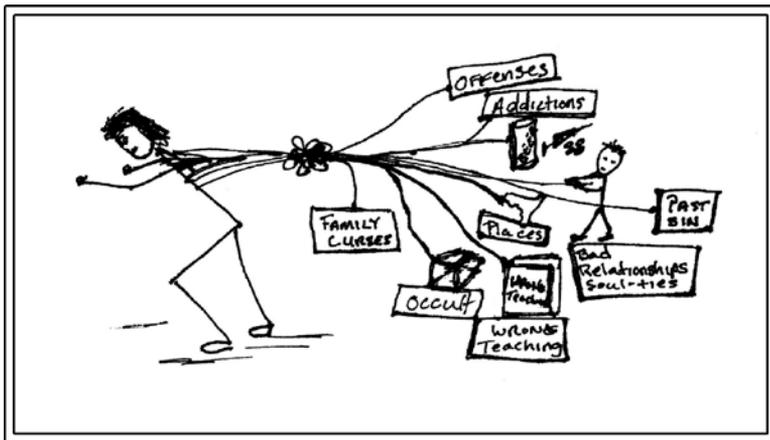

Ministers if people give you objects, clothes, money or jewelry ask the Lord if you are to receive it. If you do, pray over it and apply the blood of Jesus to it, cancel any assignment it was meant to carry.

It is the seemingly insignificant things that can be used because they look harmless. Ask the Holy Spirit. Rely heavily upon His leading.

The same thing applies to our homes. We should be cleansing our home regularly in the spirit, especially if we have a lot of people in an out of the house and on our property.

Anoint your mailbox. It is an access point into your home also. Decree only good things come to you through the mail. Bind up fear, worry and dread that may be released in the mail through intimidation. Don't receive it. Don't let it come in. When you cancel the assignments off your mail, all it becomes is paper. The power to induce fear is canceled and rendered ineffective.

I have more teaching available in my books "**Growing in the "Kingdom of God - Nuggets of Truth" Volumes I,II,III.**

Entanglements

What are spiritual entanglements? How do we recognize them?

Spiritual entanglements are anything that would hold us back from growing and advancing in the Kingdom of God.

An entanglement can be something as simple as a oath or a commitment you made to something or someone that was not part of God's plan for your life.

Num 30:2 "If a man vow a vow unto the LORD, or swear an oath to bind his soul with a bond; he shall not break his word, he shall do according to all that proceedeth out of his mouth."

Oaths or covenants that we make with others are binding in the spirit. There are penalties for breaking them. James advises us not to make them at all.

Jas 5:12 "But above all things, my brethren, swear not, neither by heaven, neither by the earth, neither by any other oath: but let your yea be yea; and your nay, nay; lest ye fall into condemnation."

A pledge is a form of an oath or vow. When you pledge allegiance to someone or something you are making security for an oath. Pledging to give money to a cause is suppose to be as good as giving them payment.

People can entangle us. Our past is a major source of entanglements that continually try to pull us back. We or our ancestors may have made covenants with others that are keeping us in bondage to this day. For example; if you or any of your family members were involved with the Mason's know that they made oaths, vows and covenants with them that bind not only them but their families. These kind of bondage's must be broken through prayer, repentance and deliverance.

Exo 23:32 *"Thou shalt make no covenant with them, nor with their gods."*

Our speech can entangle us. Mat 22:15 *"Then went the Pharisees, and took counsel how they might entangle him in his talk."* In this scripture the Pharisees were trying to entangle Jesus. Jesus could not be entangled with His words. Consider some things that you may have said in the past that afterward you wish you hadn't.

Our personal sins can entangle us. Pro 5:22 *"His own iniquities shall take the wicked himself, and he shall be holden with the cords of his sins."*

Vanity and pride will entangle us. Isa 5:18 *"Woe unto them that draw iniquity with cords of vanity, and sin as it were with a cart rope:"*

Friendships can become entanglements when we feel obligated to do things that in our heart we don't agree with or want to do.

Family members can hold us back because they are putting their needs or requirements upon us. Unrealistic expectations of others or ourselves for our lives can entangle us.

What are some of the ways that you are entangled?

Only God can d-tangle the mess we've made of our lives. His Holy Spirit and the oil of His anointing can loosen us from the most difficult knots. Psa 129:4 *"The LORD is righteous: he hath cut asunder the cords of the wicked."* I would like to make a point here. We can be the wicked God is addressing depending upon how we are living our lives.

Psa 2:3 *"Let us break their bands asunder, and cast away their cords from us."*

All this sounds good but what does it look like in everyday life?

Let's use a hypothetical situation. We will call our person Sally. Sally started in life alright. As she grew she had an uncle who had become too familiar with her. This familiarity continued on through her adolescence. Once Sally was in high school she started hanging out with the wrong crowd. She began to find out the things her uncle had been doing to her were not normal. Condemnation and guilt began to plague her. She wanted to run and hide. She couldn't tell anyone. She started smoking pot and drinking. Sam started hanging around and one thing led to another.

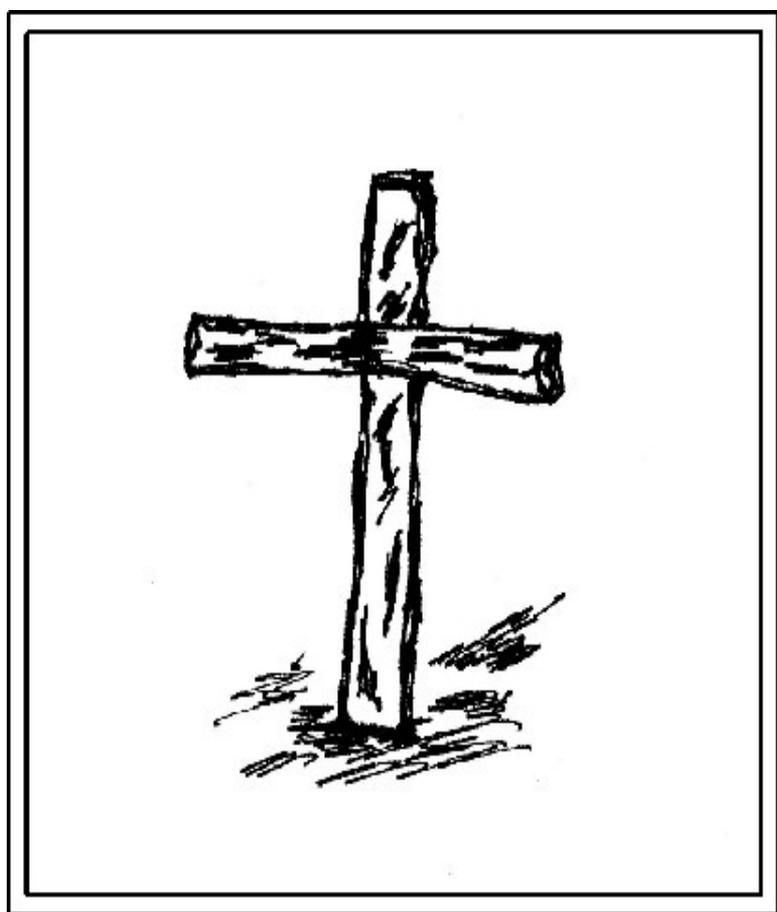

Sam didn't hang around for long once he got what he wanted from Sally. Sally just bounced around from one guy to the next. Staying high as much as possible so she would not feel. She started doing other drugs like, meth, cocaine, pills. Things that would make the high last longer. She began to steal to get her next fix. Her life's existence was simply to get her next high. Eventually she was arrested for her stealing. While in jail she was forced to confront her life without all the dope. She thought she could change. She was released from jail and ran into one of her drug buddies. Right away the cycle in her life began all over again. She wound up in prison. This time it saved her life. While in prison Sally met Jesus through some reading material that was passed out. She accepted Jesus as her Lord and Savior. It was easy to stay committed while in prison but now it was time for her release. How is Sally going to change her life this time? She will have to make some drastic changes. How? She doesn't have a job. She might have to go home, back to the old haunt to live. The difference is now she has Jesus in her life but will she be strong enough and willing to let Him help her?

In our example, Sally has a lot of entanglements. Have you had similar entanglements in your life? Jesus has to be the one you lean on in these times. He is the only one who can help you break free from your past. From the identity that you've had of yourself and the identity that others have had of you. You determine your path, not circumstances.

God told me years ago, "You are not what you do. You are not what others call you. You are a God-sent Kingdom

carrying child of the Most High God."

People will always try to label us, those labels will act like boundaries that will limit us and how God can use us. Be set free from those limits. You are who God says you are and nothing less.

Salvation

Of all the things that I have written in this book, the most important thing is this. You must be born again.

If you have not made Jesus your Lord and Savior, nothing in this book will apply to you. What is worse you will spend the rest of this life and all of eternity separated from God.

When I was in the world, I tried everything. I looked into everything. I studied different religions. I was hungry for the Truth. The Gospel had never been presented to me outside of a religious setting. I knew I didn't want religion. I wanted Truth. God had to bring me into a crisis in my life before I would cry out to Him. The thing is, we don't have to be in a crisis to cry out to God. We can ask God, to show us the Truth. Jesus is the Word of God made flesh. He came from God and lived as a man. He showed us that it is possible to walk with God in a human form; He demonstrated to us how. Jesus went to the cross for us to have access back to God. Adams sin separated us from God, whereas Jesus' death on the cross has made a way of redemption for us. Jesus is the doorway back to Father God. Joh 10:9 "I am the door: by me if any man enter in, he shall be saved, and shall go in and out, and find pasture."

When I accepted the Lord or I should say, when He called to me. I didn't have anyone telling me what to say. I just know I meant what I said with my whole heart. I said,

"God if you are real, show me. Show me the Truth and keep me in the Truth and I will serve you." He took me at my word. I was willing to lay down all previous knowledge and understanding of what I "thought" was truth and embraced His Truth. God made Himself real to me. Jesus introduced Himself to me in a way that was undeniable. He has continued to reveal Himself more and more as time passes because I pursue Him. He will do the same for you.

I could write a prayer for you to say but I don't want to set you up for failure. This is your eternity. This is something that you must want with your whole heart. There are many people who have said a "salvation prayer" and are not saved, they are deceived. There was no change in their lives. No evidence that the Holy Spirit had been given room in their hearts.

How desperate are you for the Truth?

Psa 73:20 " As a dream when one awaketh; so, O Lord, when thou awakest, thou shalt despise their image.

Psa 73:21 Thus my heart was grieved, and I was pricked in my reins (kidneys; inner man).

Psa 73:22 So foolish was I, and ignorant: I was as a beast before thee."

Pro_22:21 "That I might make thee know the certainty of the words of truth; that thou mightest answer the words of truth to them that send unto thee?"

Act 2:36 "Therefore let all the house of Israel know assuredly, that God hath made that same Jesus, whom ye have crucified, both Lord and Christ.

Act 2:37 Now when they heard this, they were pricked in their heart, and said unto Peter and to the rest of the apostles, Men and brethren, what shall we do?

Act 2:38 Then Peter said unto them, Repent, and be baptized every one of you in the name of Jesus Christ for the remission of sins, and ye shall receive the gift of the Holy Ghost."

Rom 5:8 " But God commendeth his love toward us, in that, while we were yet sinners, Christ died for us.

Rom 5:9 Much more then, being now justified by his blood, we shall be saved from wrath through him.

Rom 5:10 For if, when we were enemies, we were reconciled to God by the death of his Son, much more, being reconciled, we shall be saved by his life."

Rom 10:9 "That if thou shalt confess with thy mouth the Lord Jesus, and shalt believe in thine heart that God hath raised him from the dead, thou shalt be saved.

Rom 10:10 For with the heart man believeth unto righteousness; and with the mouth confession is made unto salvation.

Rom 10:11 For the scripture saith, Whosoever believeth on him shall not be ashamed.

Rom 10:12 For there is no difference between the Jew and the Greek: for the same Lord over all is rich unto all that

call upon him.

*Rom 10:13 For whosoever shall call upon the name of the
Lord shall be saved"*

Taking Authority

Shotgun Prayer

If you are saved praying this prayer will work as a shotgun hitting several things in the spirit realm at once that may be afflicting and attacking your life. Say this prayer with authority. Believe what you say. Pray this daily.

In the name of Jesus, I bind, break and destroy every assignment, curse, hex, vex, witchcraft, voodoo, incantation, spell, sorcery, plot, diabolical assignment and ambushment of the enemy. I condemn every tongue that has risen against me and will show it to be in the wrong. I bind, break and destroy diabolic word nets, diabolic alliances and unholy alliances I tear down witchcraft altars, and destroy prayer articles set against me. I cancel all assignments of accidents, injury, affliction, sickness, torments and fear off my life! I break agreements with sickness in my body. I decree you no longer have permission to be here! I break demonic bands and bondages placed upon me to bind me to others, to objects, to places, to behavior patterns, to alcohol addiction, to drugs addiction, to pornography addiction, to sexual addictions, to nicotine addiction, to gambling addiction, to all addictive behaviors. I loose myself (family) from all demonic captivity. Jesus has broken the bonds of wickedness over my life. He has broken the gates of brass and cut the bars of iron asunder. I am set free. I decree and declare that I will fulfill all that God has purposed for me in health, peace and prosperity; I will walk on the path that He

has set for me. I bind all untimely death and decree I will live all the days God has allotted to me and not one moment less! I shut every spiritual door, gate, window, portal, inter-dimensional access point, every witchcraft path, every monitoring mirror, every demonic transmitting and receiving device. I disable every demonic assignment set against me in the land, in the sea, in the air, in the stars. I loose my household from the stronghold and tares of the enemy. I break the power of all witchcraft patterns over my life. I decree the heavens above, the earth, and beneath the earth are for the Kingdom of God. I invite you Most High God, Lord of Host and Holy Spirit to flood my life and my dwelling with your presence. In Jesus Mighty name. Amen.
